

COGY

CYCLING CHAIR

Not just FUN

- Fun + safe, Light + transportable
- Easily manoeuvrable
- Suitable for tight indoor spaces
- Stable for outdoor curbs+bumps

Using COGY for the first time is a life changing experience. Just put your feet on the pedals and let COGY do the rest... it's easy, it's intuitive and most of all it's fun! With COGY your legs really can still take you where you want to go.

COGY is designed for anyone who has difficulty standing, walking or moving their lower body.

- Stroke CP Brain Injury
- MS Spinal cord Injury
- Arthritis Alzheimer's
- Parkinson's ...

Try COGY and be surprised!

other Key Benefits of COGY

Promotes neuro-plasticity

Same cardio benefits as light exercise

Develops muscle strength safely

Socially + emotionally life-enhancing

How will my legs work?

The CPG generates signals from one leg to the other when we walk. COGY's seat and overall design enables the spinal cord's CPG to reflexively affect instinctual leg movement.

CPG : Central Pattern Generator

How do I know if COGY is for me?

- 1 Get in touch with us through Email, phone etc, for an initial assessment.
- 2 How does your lower body function? What is your everyday lifestyle like?
- 3 Trial COGY at your home, school, workplace, local park or shopping centre!

COGY is made flexible for individual adjustments ("playlist COGY adjustments" on Youtube). "Rent-to-Purchase program", "short term rental" are available for you to determine your best setting.

Maintenance + support

Easy to maintain, your local bike shop can help you with any COGY wear+tear

Full support 7 days a week with operation, maintenance and spare parts.

Let's meet up

We love to organise occasions for COGY users to meet & get out and about together.
